RANK ME! Guess the order of these people and their crowns! Which is the highest ranking after the king? Which is the lowest ranking? And who falls somewhere in between? Number these crowns from 1-6, the highest royal to the lowest. Tip: Look at the design for clues about how important they really are! Next, draw a picture of yourself as a royal on another piece of paper and cut out one of these crowns to put on your head! **BERTIE NOW CROWNS YOU ROYAL!**
